Real Dial Size ON
(Activé)

All characters are measured from the lowest possible point to the highest. In Paper Play, the main images are all the same height and the layers are designed to fit them proportionately. If **Real Dial Size** is selected, all characters will be cut according to the size specified.

Tous les caractères sont mesurés à partir du point le plus bas possible jusqu'au point le plus haut. Dans la cartouche Paper Play (Jeu du Papier), les images de base ont toutes la même hauteur et les layers (couches) ont été conçues pour s'ajuster à celles-ci proportionnellement. Si vous avez sélectionné le **Real Dial Size** (Disque de Définition de la Taille Réelle), tous les caractères seront coupés en accord avec la taille spécifiée.

Real Dial Size OFF
(Desactivado/Aus)

Real Dial Size ON
(Activado/Ein)

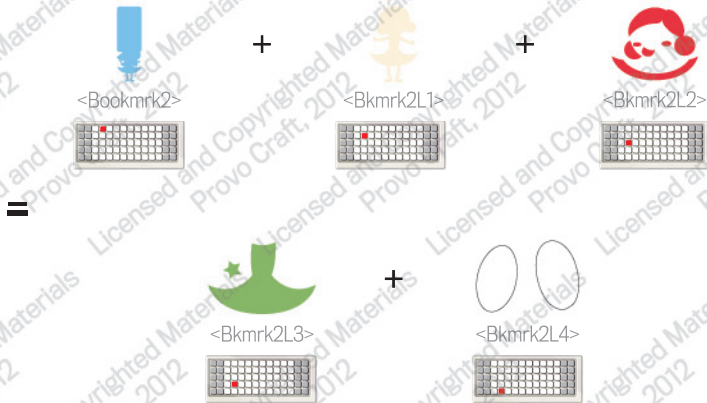

Todos los caracteres se miden desde el punto más bajo posible al punto más alto. En el cartucho Paper Play (Juego de Papel), las imágenes principales son todas de la misma altura, y sus capas se han diseñado para ajustarse a ellas proporcionalmente. Si se selecciona el **Real Dial Size** (Disco de Definición de Tamaño Real), todos los caracteres se cortarán de acuerdo con el tamaño especificado.

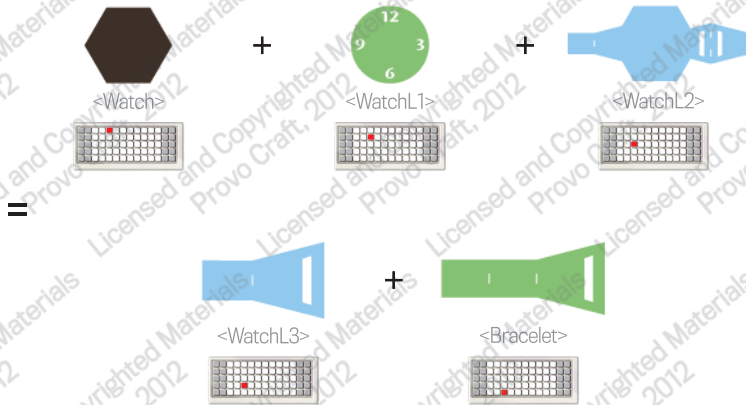

Alle Zeichen werden vom untersten möglichen Punkt bis zum höchsten möglichen Punkt gemessen. In Paper Play (Spiel Pappier) werden alle Grundzeichen auf der gleichen Höhe erstellt und ihre Layers (Schichten) wurden geschaffen, um sich proportional auszuschneiden. Wenn **Real Dial Size** (Realgrößenwähler) gedrückt ist, werden alle Zeichen entsprechend der angegebenen Größe ausgestanzt.
