How Do I

Change or Reset My Cricut Account Password?

If you have forgotten your Cricut account password, or would like to change the password, please follow the steps below. Your login ID and password is the same for the Cricut.com website and Cricut Design Space software.

Note: Applies to US and Canada only.

Let’s Start

Changing your Cricut Account Password:

1. Sign in to your account at Cricut.com.

2. Click on the person icon, then select “My Account” to access your account details.

3. Select “Profile” from either the left navigation menu or the links under the “My Account” section.
4. Select the “Change Password” box, then enter your new password and confirm the new password.

5. Select “Save” and your password is reset! Next time you log in to Cricut.com or Cricut Design Space, you will use the new password.

Resetting your Cricut Account Password:

If you have forgotten your Cricut account password, you can select the “Forgot Password?” link on the Cricut.com, Design Space, or Design Space mobile app sign-in screens. An email with a link to reset your password will be sent.
