Q How Do I

Find the Free Images That Came With My Cricut Explore or Maker Machine?

Once you have completed the "<u>New Machine Setup</u>" from Cricut Design Space (via Windows/Mac/mobile), the free images that came with your machine will automatically be added to your account. Also, a free trial for <u>Cricut Access</u> will be activated. To locate the free content that came with your Cricut Explore or Maker machine, please follow these steps:

Design Space (Windows/Mac):

- 1. Sign in to Design Space (design.cricut.com).
- 2. Click on *New Project*.
- 3. Free Images:
 - Click *Images* on the design panel to the left of the canvas.
 - Click on *Filter* in the top-right near the search field.
 - Click on the "Free" filter. This will display all the images that came with your machine.
- 4. Free Fonts:
 - Click *Text* on the design panel to the left of the canvas.
 - The Text Edit bar will appear at the top of the screen.
 - Click on the Font drop down menu.
 - The fonts that you own or that are free will not have a price under them.
 - You can also select *Filter* in the top right of the Font drop-down menu and select the "My Fonts" filter to view all that you own or that you have permissions to cut.
- 5. Free Patterns:
 - Insert an image or text.
 - Change the Line Type to Print and click *Patterns*.
 - Apply the Free filter from the bottom of the Layer Attributes panel when in the pattern view.

Note: The images, fonts, and patterns that are included with the Cricut Access trial will be flagged with the green Cricut Access "a" and can be used for free until the trial expires.

Free Images:

Note: You can also click on the *Cartridges* index and apply the "Free" filter to see the full cartridges or image sets that came with your machine. Click on additional filters to narrow down the search, and click "Clear Filters" to clear all filters.
