

Image Search

The Cricut® Image Library includes over 50,000 images as well as your own uploaded images. Searching for a specific key word, phrase, or cartridge (image set) will help you narrow the image options so you can find the perfect image for your project.

Step 1 To search by key word or phrase, begin by tapping the Image button on the bottom left corner of the screen to open the Insert Image panel.

Image Search

Step 2 The insert Image panel lets you view and select images in the Cricut® Image Library as well as your own images which have been uploaded from your computer. To begin a search, tap in the search field.

Image Search

Step 3 Type a key word or phrase in the search field and then tap “Search.”

Image Search

Step 4 Step 4. Tap an image tile to add it to your image tray or continue to search for another image.

Tip: The image count inside the search box indicates how many images were found with your inquiry.

Image Search

Step 5 Once images are selected, tap “Insert” to add them to the design screen.

Image Search

Step 6 You can now move and size images to visualize how they'll look on your project.
